

Capacity 1000 kg

GZ1000 MANUAL CRANES MANUAL LIFTING /ADJUSTABLE LOWERING SPEED

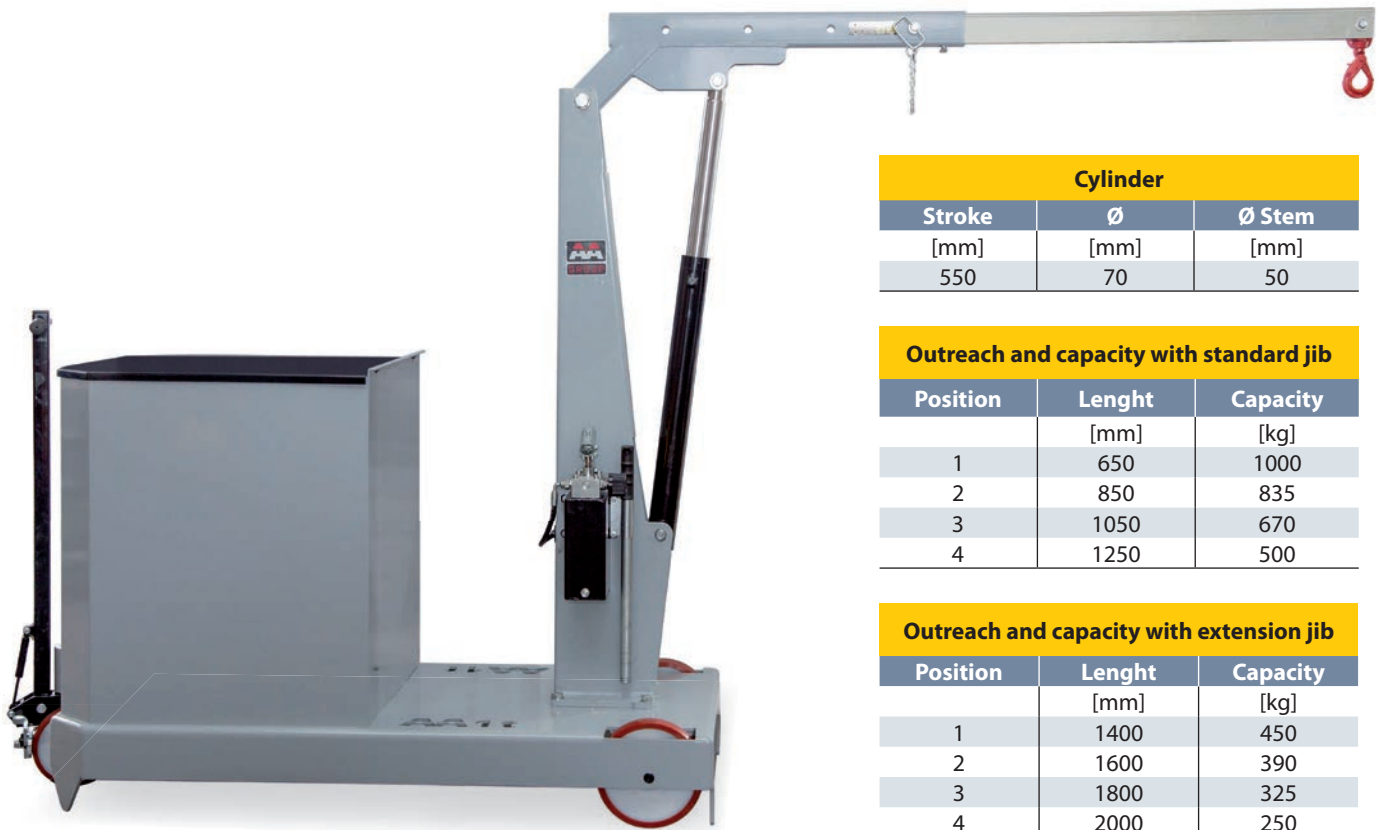

Mod. **GZ1000** is a manual lifting crane (built-in ballast weights) suitable for lifting load up to **1000 kg** in line with international safety standards.

Easy to handle even if fully loaded, equipped with two frontal wheels Ø 200 mm and rear swivel castors Ø250 mm.

Very light manual pump for quick lifting; adjustable lowering speed by turning a knob built-in the pump.

Jib is extendible in 4 positions and optional extension is available on demand to reach up to 2000 mm of distance.
